## Can we bring our own food and/or drinks?

Yes, you are more than welcome to bring additional food and drinks for your day out at Outback Splash! Please note, catering from external providers is not permitted.

## Do you have Birthday Party Session times?

No, here at Outback Splash you can play all day! Birthday party bookings can arrive and depart any time throughout the day (park opening hours 10am-5pm). The only scheduled times for your day will be the catering service time and, if booking the Koala Package, your Koala Experience session. These service/session times are nominated during the booking process.

## Is there a party room or an assigned area?

Here at Outback Splash we have found that birthday party groups much prefer to find their own spot in the park for the day that best suits their needs. For this reason we do not have allocated party rooms or set areas for birthday party bookings. Instead groups are more than welcome to add a hut / cabana reservation to their booking. We will also schedule a catering collection time (when you would like to collect your catering from the Burger Bar) with you to allow you to collect your catering and return to your picnic area to enjoy!

## Do discounts apply for Season Pass Holders?

Season pass holders are of course entitled to free entry to the park with their current season pass. Should you have season pass holders attending your birthday party, catering only (meal, drink and lolly bags) can be added to your booking for these guests at a discounted rate.
